## **Total Cost**

**Personal 1on1 Training ...\$599**

**Online Web Training...\$399**

### **Personal Training Includes:**

Trainer will do all of the steps of the RWB process with trainee as a real upline would do for a new builder including up to (6) 3-way RWB phone presentations with trainee and his or her prospects.

### **Online Web Training Includes:**

Trainer will provide all of the RWB training using recorded calls of the complete process being done with other people over the Internet at a training Web page.

### **Both Trainings include all of the following:**

- 1.) Trainer will supply all support material for doing the RWB process by email. Trainee will keep a copy of each to be forwarded to all of their interested business contacts as they continue the RWB process downline only.
- 2.) Trainer will supply lifetime email support and phone support if and when needed.
- 3.) Trainee has all rights to re-produce all RWB training materials to be used in building their business without any additional future fees or cost. This includes downlines only. All future up-dates will be free of any additional fees.
- 4.) Trainee and their builders will be invited to all conference calls on the RWB process without extra cost.
- 5.) Trainee will be added to all future business emails unless the trainee request to be opted out.
- 6.) Trainer does not guarantee any future success using the RWB plan and the trainee is fully aware of this. Trainee will only hold trainer responsible for these statements as written in this contract.
